Best Practice-I
Teacher Student “Mentor-Mentee” Scheme

Practice I:

1. Title of the Practice

Teacher Student "Mentor-Mentee" Scheme

2. Objectives of the Practice

To support students as mentor. Caring and supporting the individual student personally through the various programs and activities to improve their academic and professional lives.

3. The Context

Adoption of Mentor Mentee system will provide encouragement and guidance to students from entry to leaving of the course in order to foster all round growth and development.

4. The Practice

This system specially focused on to improve students' academic performance. Students are equally allotted to each faculty member for mentoring. Personal profile of the each mentee is collected by mentor and sort out by their strength and weakness. Personal and academic problems are solved by personal communication & counseling.

5. Evidence of Success

Improvement in academic performance of mentees monitored and mentioned record for analysis for students' progress.

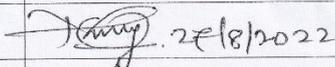

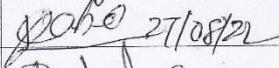

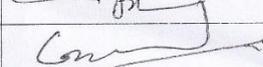

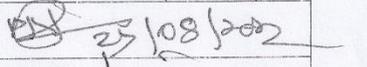

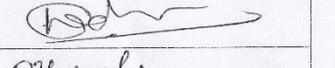

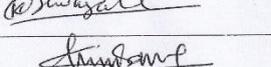

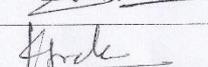

6. Problems Encountered and Resources Required

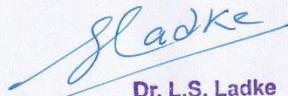

Girl Students hesitate to support mentor while sharing their problems, hence they needs to encourage to share their problems freely with mentor.
