National Service Scheme (NSS)

National service scheme started in 1969 for college and university students to encourage them to involve in social activities and to work in rural areas. NSS camp and different programs are organized under NSS. NSS camp organized every year in villages for one week. In this camp students interact with villagers and work there for a week. Our college having permission of 100 students for NSS unit and for NSS camp 50 students are selected every year. Our college had organized NSS camp in villages like Chora, Chalbardi, Chandankheda, Chiradevi. NSS plays important role in the personality development of young college students.
